

Mixed Media Contest

Sponsored by Blick Art Materials

This letter is requesting your permission to enter your child's work in the "With Art I Can..." Mixed Media Contest sponsored by Blick Art Materials.

This contest invites students in grades K-12 to express their experiences and imagine the things they can accomplish through art. Selected artworks by finalists will be reproduced as part of a 16" x 20" Art Advocacy Poster Set to be distributed to art educators and displayed online as a digital slideshow. Students who are selected as a finalist or semi-finalist in one of three age categories will also be eligible to win prizes in the form of Blick Art Materials gift coupons.

Participants will create a work of art and an accompanying artist's statement that completes the following sentence: "With Art I Can ..."
