CLASSICO OIL COLOURS 03040 TGR. Antique Green Earth from Verona

Revision nr.1  
Dated 20/05/2009  
Printed on 20/05/2009  
Page n. 1 / 4

## Safety Data Sheet

### 1. Identification of the substance / preparation and the Company

#### 1.1 Identification of the substance or preparation

Code: 03040  
 Product name: CLASSICO OIL COLOURS 03040 TGR. Antique Green Earth from Verona

#### 1.2 Use of the substance / preparation

Intended use: Oil colour

#### 1.3 Company identification

Name: MAIMERI S.p.A.  
 Full address: Via Gianni Maimeri, 1  
 District and Country: 20060 Mediglia MI  
 Italia  
 Tel. +39 02 906981  
 Fax +39 02 90698999

e-mail address of the competent person responsible for the Safety Data Sheet: [schedesicurezza@maimerispa.it](mailto:schedesicurezza@maimerispa.it)

Product distribution by: MAIMERI S.P.A. VIA G.MAIMERI 1 20060 BETTOLINO DI MEDIGLIA (MI) ITALY

#### 1.4 Emergency telephone

For urgent inquiries refer to: +39 02 906981

### 2. Hazards Identification.

NOTHING TO NOTIFY.

### 3. Composition / Information on ingredients.

NOTHING TO NOTIFY.

### 4. First aid measures.

No episodes of damage to health ascribable to the product have been reported. Nevertheless, observance of good industrial hygiene is recommended.

### 5. Fire-fighting measures.

Allow containers to cool in order to avoid product decomposition and generation of substances which might injure the health and be dangerous for safety reasons. Wear the fire equipment all the time.

	<b>MAIMERI S.p.A.</b>	Revision nr.1 Dated 20/05/2009 Printed on 20/05/2009 Page n. 2 / 4

<b>6. Accidental release measures.</b>																																						
Limit leakages with earth or inert material. Remove most of the product and then rinse the involved area by jets of water.																																						
<b>7. Handling and storage.</b>																																						
Make sure that equipment is available for cooling the vessels, to prevent the danger of overpressure and overheating in the event of fire in the vicinity. Refer to the other sections of this data sheet for information relating to health and environmental risks.																																						
<b>8. Exposure control / personal protection.</b>																																						
8.1 Exposure limit values.																																						
8.2 Exposure controls.																																						
Follow the good industrial hygiene practices adopting suitable individual protective measures, such as gloves and overall. Do not eat or smoke while handling the product. Wash hands before eating and at the end of the work shift. Periodic health controls are recommended at the discretion of the doctor.																																						
<b>9. Physical and chemical properties.</b>
