CERTIFICATION

Certification of the Safety of Faber-Castell Goldfaber Products

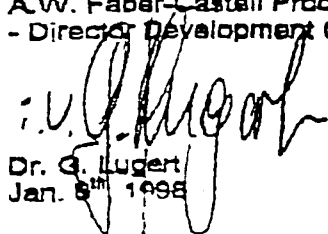

The Faber-Castell products (Goldfaber Pencils, Goldfaber Studio-Water-Colours, Goldfaber Studio Oil-Pastels) have constructions which are in agreement with the laws and regulations of the EU and US.

The ingredients of the products are not hazardous raw materials.

The Goldfaber-products are consumer goods and non toxic. They are in accordance with the laws and regulations no chemicals and no chemical-formulations.

Therefore are Safety Data Sheets in agreement with the regulations of the EU not necessary.
