

SAFETY DATA SHEET

According to Enclosure II of Regulation (ES) No 1907/2006 (REACH)
 Product name: **Extra soft pastel pencils**

Date of issue: 6.4.2009
 Revision date:

21950-XXXX

Page: 1/5

21940-XXXX**1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING****1.1 Identification of the substance or preparation**

Name: **Extra soft pastel pencils**
 Colour shades: **48 colours**

Addition of colour shades does not significantly affect the product classification and character

1.2 Use of the substance or preparation

Specified or recommended use of substance (preparation): pastel pencils are intended for drawing on paper

1.3 Company/undertaking identification

Name or trade name: **KOH-I-NOOR HARDTMUTH a. s.**
České Budějovice
 Place of business or registered office: **F.A.Gerstnera 21/3, 371 30 České Budějovice**
 Company ID: **26055996**
 Telephone: **+420389000202**
 Fax: **+420387311326**
 http:// **www.koh-i-noor.eu**
 e-mail: **sales@koh-i-noor.cz**

Competent person responsible for the Safety Data Sheet: **Renata Pešlová, renata.peslova@geomedia.cz**

1.4 Emergency telephone

Emergency telephone number: **Toxicological Information Centre, Na Bojišti 1, Praha nonstop +420-224919293 +420-224915402**

2. HAZARDS IDENTIFICATION**General classification of substance/preparation:**

The preparation is not classified as dangerous in accordance with Directive 67/548/EEC or 1999/45/ES or amendments and within the meaning of the Act 356/2003 Coll in valid wording..

Dangerous health and environmental effects:
 not specified

Other hazards: not specified
 For information specified on packaging see Article 15

3. COMPOSITION/INFORMATION ON INGREDIENTS

General description: not contain dangerous substance

Basic components of the product are not classified as hazardous within the meaning of the Act 356/2003 Coll in valid wording.

Hazardous properties show some pigments which are added to specific shades of the product (see table below).

Chemický název	CAS Number	ES Number (EINECS)	Content (%)	Klassification	R-clauses
Fanal Green D 8330			max. 3,5%	Xi, N	41-51/53
Fanal Violet D 5480			max. 1,5%	Xi	36-52/53

SAFETY DATA SHEET

According to Enclosure II of Regulation (ES) No 1907/2006 (REACH)

Product name: Extra soft pastel pencils

Date of issue: 6.4.2009

Revision date:

Page: 2/5

4. FIRST AID MEASURES

General instructions: The health damage is not probable during prescribed use. In the case of health problems seek medical advice.

Inhalation: Exposure is not probable

Skin contact: Rinse with soap and water.

Eye contact: Exposure is not probable

Ingestion: Exposure is not probable

Additional information: not specified

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media: The preparation is not flammable. Adapt to materials burning in the surroundings

Unsuitable extinguishing media: not specified

Special risk: not specified

Special protective equipment for fire-fighters: adapt to surroundings

Additional information:

6. ACCIDENTAL RELEASE MEASURES

Personal protection measures: Not need any special measures. Observe common work and hygienic regulations.

Environmental protection measures: Not need any special measures.

Recommended decontamination and disposal methods: not specified

Additional information:

7. HANDLING AND STORAGE

7.1 Handling

Preventive measures for safe handling with the substance / preparation: Not need any special measures.

Preventive measures for the environmental protection: Not need any special measures.

7.2 Storage

Instructions for safe storage: Store in dry place. Storage temperature to 30°C.
Quantity limits for the given storekeeping conditions: unlimited.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

8.1 Exposure limit values: not defined for individual components
Wash your hands before breaks and after work, do not eat, drink or smoke during work.

SAFETY DATA SHEET

According to Enclosure II of Regulation (ES) No 1907/2006 (REACH)

Product name: Extra soft pastel pencils

Date of issue: 6.4.2009

Revision date:

Page: 3/5

Limit values of biologic tests indicators (432/2003 not mentioned
Coll., Enclosure 2):
Foreign exposure limits: not mentioned

Recommended monitoring procedure: not mentioned

8.2 Exposure controls:

8.2.1 Occupational exposure controls: not required

8.2.2 Environmental exposure controls: not required

Personal protective equipment: not need during described use

9. PHYSICAL AND CHEMICAL PROPERTIES

9.1 General information:	
State (at 20°C):	solid
Colour:	
Smell (odour):	without odour
9.2 Important health, safe and environmental information:	
pH value (at 20°C):	-
Flammability:	not flammable
Content of organic solvents:	not content
9.3 Additional information:	

10. STABILITY AND REACTIVITY

Conditions of stability of the product:	Stable at prescribed storage, handling and use.
Conditions that must be avoided:	not specified
Materials that can not be used:	not specified
Dangerous dissociation products:	not specified
Additional information:	

11. TOXICOLOGICAL INFORMATION

Description of exposition symptoms:	
Inhalation:	Exposure is not probable
Skin contact:	Exposure is not probable
Eye contacts:	Exposure is not probable
Ingestion:	Exposure is not probable
Harmful effects on health:	
Acute toxicity: preparation is not toxic	
Impact of long-term and prolonged exposition:	
Sensibilization:	The preparation does not cause sensibilization in contact with skin.
Carcinogenity:	Carcinogenic effects were not demonstrate.
Mutagenity:	The preparation does not have mutagenic effects.
Toxicity for reproduction:	The preparation does not have toxic effect for reproduction.
Additional information:	

SAFETY DATA SHEET

According to Enclosure II of Regulation (ES) No 1907/2006 (REACH)

Product name: Extra soft pastel pencils

Date of issue: 6.4.2009

12. ECOLOGICAL INFORMATION

Ecotoxicity: have no toxic effect to environmental
Possible impact on sewerage plants: data not available
Persistence and dissolubility:
Dissolubility:
CHSK:
BSK_s:
Mobility: data not available
Distribution into environmental components:
Surface tension: data not available
Absorption or desorption: data not available
Bio-accumulative potential: data not available

Additional information:
Water risk class (WGK): 3

13. DISPOSAL CONSIDERATIONS

Possible risks during disposal of the substance or preparation:
 In accordance with the Waste Catalogue this material is classified as other waste (not dangerous).
Suitable methods for elimination of the substance or preparation and polluted package:
 The waste liquidate together with municipal waste.

Legal regulations on waste:
 Act No. 185/2001 Coll., on waste, as amended.
 Act No. 477/2001 Coll., on wrapping, as amended.

14. TRANSPORT INFORMATION

not classified as dangerous product for transport

15. REGULATORY INFORMATION

Information shown on the package:
 In the sense of Act No. 356/2003 Coll., in valid wording and Directives 67/548/EHS and 1999/45/ES in valid wording, is not classified as dangerous.

Written symbol of danger: not required
Graphic symbol of danger: not required

Legal Regulations within the Czech Republic

Act No. 356/2003 Coll., on chemical substances and preparations and on change of some acts, as amended.
 Implementing regulations to this act:
 Act No. 102/2001 Coll., on products safety, as amended.
 Act No. 185/2001 Coll., on wastes, as amended.
 Act No. 258/2000 Coll., on public health protection.

SAFETY DATA SHEET

According to Enclosure II of Regulation (ES) No 1907/2006 (REACH)

Product name: **Extra soft pastel pencils**

16. OTHER INFORMATION
List of R-Clauses used in this sheet:
Instructions for training: not need any training
Recommended use limitations:
Information source: Information included in this record are based on our best knowledge. All preparations may bear unknown hazard and they should be used with safety.
Executed Safety Record: In accordance with Enclosure II of Regulation (ES) 1907/2006 (REACH)
Information source: Safety records available from suppliers.
Record revisions: Comprehensive revision in accordance with Enclosure II of Regulation (ES) 1907/2006 (REACH)
