LaDoll

1/3
July 17, 2013**Material Safety Data Sheet****1. Product and Company Information**

Reference Number P-0004-1

Product name	LaDoll
---------------------	--------

Name of supplier	PADICO Co., Ltd.
Address	673-3 Jinba Gotenba City, Shizuoka JAPAN 412-0047
Department in charge	Research and Development section
Person in charge	Nakamura Keiichi
Phone	0550-89-7521
Fax	0550-89-7523
Emergency Phone	0550-89-7536

2. Composition/Information on ingredients**Chemical Type** : Compound Mixture

Ingredients and content	(%)	CAS No.
Silicate balloons	15-19	
Talc	9-13	14807-96-6
Wood Pulp (chemical pulp)	4- 8	
Sodium Carboxy Methyl Cellulose	4- 8	9004-32-4
Water	55-60	7732-18-5

Packing : polypropylene**3. Hazards identification**

Adverse human health effect : minimal
Environmental effect : no information
Fire : slight under normal condition
Specific hazard : none
Classification Standard in Japan : Product and Packing is not applicable to

4. First-aid measures

Eye contact: Flush eyes thoroughly with lot of water. If pain or redness occurs, get medical attention.

Skin contact: Wash with plenty water or warm water. If pain or any change on appearance occurs get medical attention. Surface Active Agent may be irritating.

Inhalation: If start feeling ill when inhaled gases from the products, immediately move to the fresh air area and rest. Get medical attention if needed.

Ingestion: Wash inside of mouth with water. If possible, drink a lot of water and induce vomiting. Get medical attention if needed.

5. Fire-fighting measures

Method of extinguishes fire: Take regular method

Suitable Extinguish media: Use regular type (Water, Carbon Dioxide, Foam, Powder and others.)

6. Accidental release measures

Adverse human health effect and environmental effect is minimal.

Scrape up or suction cleaning

7. Handling and Storage

Handling: Avoid impact, which causes breakage of packaging .

Storage: Avoid High temperature, Freeze, and Direct to the sun. Store indoor.

Avoid water and wet.

8. Exposure controls/personal protection

Facility Measures: Unnecessary

Protection Material: Not necessary

9. Physical and chemical properties

Physical State: Plasticity Solid Matter

Color: Beige

Odor: none

pH: 7-8(1 + 100water solution)

Flashpoint: Not applicable

Explosion properties: Not applicable

Density: 1.3-1.4

Solubility: Soluble and dispersible in water

10. Stability and Reactivity**Stability:** Under normal condition, it is stable.**Reaction:** Especially it is not recognized.**Hazardous decomposition product:** No information

11. Toxicological Information

No information

12. Ecological Information

No information

13. Disposal Considerations

Burning residual products and contaminated packaging is recommended method for safe and environmentally preferred.

Draw to the possible existence of local disposal regulations.

14. Transport Information**Codes and classification according to international regulation:** Not applicable**Handling:** Avoid impact, which causes breakage of packaging.**Storage:** Avoid High temperature, Freeze, and Direct to the sun.

Avoid water and wet.

15. Regulatory Information

Applicable regulation is nothing.

16. Other Information**Notice:** Wash hands with plenty water or warm water after use.**References:**
