Versatex Fixer

MSDS #: 000 **Date:** 09/16/10

1. Product Identification

Product Code: Versatex Fixer

2. Composition/Information on Ingredients

Ingredients	%	ACGTH-TLV	OSHA-PEL	CAS No.
Group of Ethylene Compound	13			

3. Physical & Chemical Characteristics

Boiling Point: N/A

Vapor Pressure: N/A

Vapor Density: less than 1

Solubility in Water: Mixable

Appearance & Odor: White liquid

Specific Gravity: N/A

Melting Point: N/A

LEL/UEL %: N/A

4. Fire & Explosion Data

Auto Ignition: None

Flash Point: Not flammable

Extinguishing Media: Water spray or sand

Special Fire Procedures: Will not burn

Unusual Hazards: None. Product itself is not flammable. It will not support combustion.

5. Reactivity Data

Stable: Yes

Conditions to Avoid: None

Incompatibility: Avoid contact/mixture with Chlorine

Hazardous Decomposition: None known

Hazardous Polymerization: Will not occur

Conditions to Avoid: None

6. Health Hazards

Acute: None

Chronic: Not known

Signs & Symptoms of Exposure: May cause dry skin. Slight eye irritation. Flush with water. If swallowed, give milk or water and get prompt medical attention.

Medical Conditions Aggravated: Monomer vapors can be evolved when product is heated during heat-setting operations. Use local exhaust ventilation with a minimum capture velocity off 100 ft/min. at the point of monomer evolution. Refer to Industrial Ventilation: A Manual of Recommended Practice published by the Am. Conf. of Govt. Ind. Hygienists.

Is chemical listed as Potential or Suspected Cancer Agent? No

MSDS **MATERIAL SAFETY DATA SHEET**
RUPERT, GIBBON & SPIDER PO BOX 425, HEALDSBURG CA, 95448 TEL: (707) 433-9577 FAX: (707) 433-4906

First Aid for Inhalation: Remove to fresh air, get prompt medical attention.

First Aid for Eyes: Flush with water

First Aid for Skin: Wash with soap & water, rinse well

First Aid for Ingestion: Give milk or water, get prompt medical attention.

7. Special Precautions & Spill/Leak Procedures

Spill Response Procedures: Collect spilled material for air-drying and disposal

Waste Disposal: Sanitary land fill in accordance with local, STATE AND Federal regulations. Keep spills and cleaning runoffs out of sewers and open bodies of water.

8. Special Protection Information

Respiratory Protection: none required if good ventilation is maintained. Wear respirator if spraying, (MSHA/NIOSH-approved or equivalent). Suitable for concentration and types of air contaminants encountered.

Ventilation: General exhaust in all phases of handling material

Protective Gloves: Rubber, impervious gloves

Eye Protection: Glasses or chemical goggles

Other Protection: None

Work/Hygienic Practices: Avoid prolonged skin contact. Flush with water.

Notice to Reader

The information contained in this MSDS is based on data from sources considered to be reliable but Rupert, Gibbon & Spider Inc. does not guarantee the accuracy or completeness thereof. Rupert, Gibbon & Spider Inc. urges each customer or recipient of this MSDS to study it carefully to become aware of and understand the hazards associated with this product. The reader should consider consulting reference works or individuals who are experts in ventilation, toxicology or fire and understand the data in this MSDS.
