TIME FOR FALL SAVINGS!

Welcome to our fall sale flyer. Inside you'll find a wide range of deals, free offers, and new products — from temporary tattoo and henna kits, to new Marabu paints, aqua pens, and markers, to all-in-one FloaterFrame and

Panel kits from Ampersand. Liquitex has a new line of cadmium-free acrylic paints, and we've pulled together an assortment of very cool sketchbooks, journals, and pads for you to buy and try. Need brushes, markers, paints, colored pencils, or studio furniture? We've got them. And much more.

Be sure to check out the newest addition to our family of Blick brand products — Blick Premier Watercolor Paper. Years in the making, we're especially excited about this 100% cotton, archival-quality paper, available in both blocks and sheets. Created using traditional methods, this mouldmade paper is a superior surface for watercolors, gouache, inks, and acrylics. See this page (and page 49) for details.

Support of the visual arts community is at the heart of our mission at Blick. We accomplish this in part by offering the widest selection of art supplies at the lowest prices. Another way is by giving every Blick associate the tools, assistance, and training needed to grow, innovate, and reach his or her creative potential. A measure of our success is the fact that since 2015, Blick has earned "Great Place to Work" (GPTW) certification, based entirely on associate feedback. We believe engaged employees do a better job of helping each other, our customers, and the communities in which we live and work. One builds upon the other. The annual GPTW survey provides valuable feedback for continuing to build on and improve how we do things at Blick.

If you haven't already, please look for us on YouTube, Facebook, Twitter, Instagram, Pinterest, and Google+. Visit DickBlick.com to join our email lists for news about sales, store promotions, and events, too.

Old Holland® Classic Oils
40% OFF LIST PRICE

Old Holland has been making exceptional artist colors since 1664, using the same traditional formulas since the 17th century. Very concentrated, brilliant, and lightfast, these paints are made by hand using the very finest raw materials. Pigments are still ground on stone rather than with steel rollers, then blended with pure, first press linseed oil for optimal performance and archival permanence.

Williamsburg® Handmade Oil Colors
40% OFF LIST PRICE

The best raw materials in the world are used to make these paints. Pigments are carefully ground to enhance the beauty and luminosity specific to each, and then combined with pure, premium, alkali-refined and pH-balanced linseed oil. Every color in the line possesses a unique consistency and texture — some are slightly gritty, and some are extremely smooth. This is what makes Williamsburg Handmade Oils so unique and prized by the painters who choose them.

Holbein® Artists' Gouache
UP TO 35% OFF LIST PRICE

Holbein's opaque matte gouache is Japan's foremost designers' color medium. These paints deliver a brilliant, rich matte finish using naturally opaque pigments — no opaquing agents added. This creates vibrant, exciting color that won't muddy when mixed. Truly professional grade, this gouache doesn't darken, bleed, or crack. Use it in dense opaque layers to build surface body, or thin it with water to semi-transparency.

Blick® Master Synthetic Rounds

40% OFF LIST PRICE

A distinctive brush made of five diameters and three lengths of an exclusive Polyamide filament. Each strand is actually tapered to a precise tip much like a natural hair. The combination of multiple diameters and lengths allows for the formation of color-carrying pockets within the brush. The tapered tips make this the best-pointing synthetic available, especially in the larger sizes.

Princeton™ Catalyst™ Polytip™ Brushes
50% OFF LIST PRICE

Another Princeton breakthrough! The tip of each hair has been split to replicate the natural flags on the finest natural bristle, giving each hair two to three distinct tips for holding more paint and smoother application. These brushes are super stiff yet extremely responsive. Designed for use with medium- to heavy-bodied acrylics, oils, and even heavy gel mediums. Unlike natural Hog Bristle, which can be useless when water-soaked, Catalyst Brushes have real integrity in water.

Utrecht® Series 206 Tuscan
60% OFF LIST PRICE

Utrecht Tuscan Series brushes are made by skilled craftsmen who carefully blend the various silky filaments, then hand-set, interlock, tie, glue, and trim them for lasting performance. The handles are made from kiln-dried beechwood and stained a deep red color. These synthetic semi-firm brushes can be used with either oil or acrylic paints, and they're also a great choice for fluid or medium-body mediums. Ideal for smooth strokes, soft blending, transitions, and details, they can also be used for glazing and varnishing.

The paper in our Blick Premier Watercolor Blocks is made on a traditional cylinder mould in a European mill that has been making paper since the 1700s. Both internally and externally sized, its surface is created using natural woolen felts, to withstand scrubbing and other wet techniques without tearing. The blocks are glued on all four sides, keeping the sheets flat and wrinkle-free. They're great for painting on location — no soaking required. This professional-quality paper is 100% cotton, acid-free, and archival, ideal for watercolors, gouache, inks, and acrylics.

FREE SHIPPING on orders of \$59 or more.

Sale prices and free shipping on orders of \$59 or more apply only to this flyer and cannot be combined with any other discount, or used in Black retail stores. (Some exceptions apply. See below for details.)

The sale prices in this flyer are valid through October 23, 2017, or while supplies last.

SHIPPING METHODS

Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer in two business days, and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

THIRD-PARTY SHIPPING NOTE

Due to our long-term history of significant shipping volume, Blick has already negotiated very favorable shipping terms with major carriers nationwide for small and large orders, as well as offering free shipping on orders that meet our minimum dollar value. Therefore, it is rarely advantageous to our customers for us to work through a third-party shipping consultant or ship and bill individual or corporate accounts.

FOB FACTORY AND OVERSIZED ITEMS

Items that include "LF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. Additional shipping charges do apply for these items. If you have any questions, call **800.828.4548**. Please allow additional time for delivery. Some items shipped directly from the factory may not be available for express shipping.

SHIPPING & HANDLING CHARGES — Merchandise orders totaling \$59 or more ship freight-free via FedEx Best Value whenever possible.

EXCEPTIONS: Additional shipping charges will be added to factory-direct (FOB) shipments, oversized or overweight orders that require lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; all GBC Classiccut Ingento Cutters and Trimmers; the Blick 906 Model II Etching Press, the Blick 999 Model II Etching Press, the Blick Master Etch Model II Press, and all Blick Model II Benches; all kilns and pottery wheels; and some shelters. Paper or boards may be assorted to reach the quantity of 10. Some stocked furniture items will be shipped by truck and billed at an additional cost.

Handling Charge — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach the quantity of 10.

TRUCK SHIPMENT — Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$110. For an additional \$35 a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional \$25, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Unloading, disposing of packing materials, and installation are not included. Questions? Call **800.828.4548**.

PRICES — All prices are subject to change without notice. We reserve the right to correct typographical errors in our catalogs. Due to volatility in world markets for paper, steel, and energy, it may be necessary for our suppliers to increase prices on some items. We will do our best to absorb these increases, but we may need to increase prices on some of our products as a result. In addition, if product-specific trade tariffs or duties are imposed, we may need to pass those increases along to you as well.

NOTE: Shipping offer is valid from this catalog only.

CL Products bearing the CL (Caution Label) seal (or marked with a red triangle) contain ingredients that are toxic or hazardous, but they can be used safely if the directions on the container or packaging are followed.

65 The State of California requires clear and reasonable warnings on products and/or storage containers containing chemicals that have been shown to cause cancer, birth defects, or other reproductive harm, even if they contain only trace levels. These products bear the Prop 65 seal (or are marked with a red square).

Products marked with a red triangle carry both the CL and Prop 65 label.
