Revision Date: 9/1/2017

SAFETY DATA SHEET

SECTION 1: IDENTIFICATION

Product(s) Name: Liquid Latex - Clear

Recommended Use: Theatrical makeup item used to create special effects.

Supplier:

Company Name: Graftobian Makeup Co. LLC

Address: 510 Tasman Street
Madison, WI 53714

Telephone: 608-222-7849

Emergency Telephone Number:

Not applicable: Not classified as hazardous

SECTION 2: HAZARD(S) IDENTIFICATION

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use.

Hazard Classification: Not classified

Pictograms:

Signal Word: Warning

Hazard Statements: H317 May cause an allergic skin reaction.

Precautionary Statements:

Eye: Contact may cause irritation. Some redness and/or stinging may occur. Avoid contact with eyes and all mucous membranes.

Skin: Will irritate the skin for those with latex allergies. Prolonged exposure to latex may irritate the skin. Apply to hairless skin.

Inhalation: Ammonia vapors may cause irritation of the respiratory tract, eyes and nose.

Ingestion: Accidental ingestion of undiluted product may cause gastrointestinal irritation with nausea, vomiting, and diarrhea.

Description of any hazards not otherwise classified: None

1

SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

Allergies: Read ingredients carefully. Do not use this product if you have known allergies to any of the listed ingredients. If you're unsure, bring the label to your doctor for their advice. If an allergic reaction occurs, stop use and seek medical help right away.

Latex and Foam Latex Appliances: These are the same ingredients used to make latex pieces and foam latex appliances, so DO NOT use these products if you have a known latex allergy.

RAW MATERIALS	CAS No.	% RANGE
Rubber Latex	9006-04-6	65-75
Water	7732-18-5	21-29
Ammonium Hydroxide	21645-51-2	<0.85
Ammonia	7664-41-7	<0.85
Tetramethylthiuram Disulfide (Thiram)	137-26-8	<0.05

SECTION 4: FIRST AID MEASURES

GENERAL: IN ALL CASES OF DOUBT OR WHEN SYMPTOMS PERSIST, ALWAYS SEEK MEDICAL ATTENTION.

Eye Contact: Flush eyes immediately with plenty of water and contact a medical professional.

Skin Problems: Discontinue use of product. Apply cold compresses to affected areas to relieve any discomfort. If discomfort persists, contact a physician.

Inhalation: If excessive inhalation has created dizziness or other adverse effects, remove to fresh air and seek immediate medical attention

Ingestion: Latex will coagulate in the digestive tract. Do not induce vomiting. Consult a physician immediately.

SECTION 5: FIRE FIGHTING MEASURES

Extinguishing Media: Water, Foam, Carbon Dioxide, All Purpose (ABC) Dry Chemical.

Unusual Fire and Explosion Hazards: In dry form will support combustion.
Combustion by-products: oxides of carbon.

Fire Fighting Instructions: Contact emergency personnel. Use an approved self-contained breathing apparatus.

SECTION 6: ACCIDENTAL RELEASE MEASURES

Personal Precautions in Spill: Watch your step, be careful not to slip.

Procedures for Spill/Leak Clean-up: Flush small/minor spills with water. Large spills should be contained and coagulated with calcium chloride or similar material: an absorbent material may also be used. After coagulation/absorption, shovel into appropriate container for disposal.

SECTION 7: HANDLING AND STORAGE

Handling Precautions: Keep out of eyes and mouth. Avoid inhalation of vapors.

Storage Precautions: Store in a cool, dry, place, in securely closed original container. Avoid excessive heat and cold: avoid freezing.

SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

This is a personal care or cosmetic product that is safe for consumers and other users under intended and reasonably foreseeable use.

Occupational Exposure Limits: None of the components have assigned exposure limits.

Individual Protection Measures:

Eye Protection: Not required under normal use. If material is handled such that it could be splashed into eyes, wear a plastic face shield or safety goggles.

Skin Protection: None required. DO NOT USE IF ALLERGIC TO LATEX.

Respiratory Protection: Provide adequate ventilation. If large quantities are used, general mechanical ventilation and an approved chemical (ammonia) cartridge respirator may be required.

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Liquid	Upper/lower Flammability or Explosive Limits: Not applicable
Color: White. Dries clear.	Vapor Pressure(mm Hg): 760 @ 100 °C (water phase)
Odor: Ammonia odor.	Vapor Density (Air=1): 0.63 (water phase)
Odor Threshold: No data available	Relative Density: No data available
pH: No data available	Specific Gravity (H2O=1): 0.94
Melting Point: No data available	Partition Coefficient (n-octanol/water): No data available
Boiling Point: 100 °C (water phase)	Solubility in Water: Miscible
Flashpoint: No data available	Auto Ignition Temperature: No data available
Evaporation Rate: No data available	Decomposition Temperature: No data available
Flammability: Not applicable	Viscosity: No data available

SECTION 10: STABILITY AND REACTIVITY

Stability: Stable under normal conditions of use.

Reactivity: No data available

Possibility of Hazardous Reactions: Will not occur.

Conditions to Avoid: No applicable information has been found.

Materials to Avoid: Acids/Salts cause coagulation.

Hazardous Decomposition Products or By Products: Ammonia when liquid. Oxides of Carbon by combustion (when dry and unprotected).

Hazardous Polymerization: None

SECTION 11: TOXICOLOGICAL INFORMATION

This finished product is safe for consumers and other users under intended and reasonably foreseeable use.

Information on likely routes of Exposure:

Inhalation:	No data available
Ingestion:	No data available
Skin Contact:	No data available
Eye Contact:	No data available

Chronic Effects: Finished product is not expected to have chronic health effects.

Target Organs: No adverse health effects on target organs expected for finished product.

Carcinogenicity: Finished product is not expected to be carcinogenic.

SECTION 12: ECOLOGICAL INFORMATION

The Product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging components are compatible with the conventional solid waste management practices.

SECTION 13: DISPOSAL CONSIDERATIONS

Coagulate and dispose of solid material in accordance with Federal, State/Provincial and Local regulations.

SECTION 14: TRANSPORT INFORMATION

For packaged product transported by ground(DOT): Non hazardous.

For packaged product transported by sea(IMDG): Non hazardous.

For packaged product transported by air(IATA): Non hazardous.

SECTION 15: REGULATORY INFORMATION

While this finished product is not considered hazardous as defined by OSHA in 29 CFR 1900.1200 (d), this SDS contains valuable information critical to the safe handling and proper use of the product.

SECTION 16: OTHER INFORMATION

DISCLAIMER: This SDS is intended to provide a brief summary of our knowledge and guidance regarding the use of this product. The information contained here has been compiled from sources considered by Graftobian Makeup Co. LLC, to be accurate to the best of our knowledge. It is not meant to be an all-inclusive document on worldwide hazard communication regulations.

This information is offered in good faith. Each user of this product needs to evaluate the conditions of use and design the appropriate protection and preventions for employee exposures, property damage or release into the environment. Graftobian Makeup Co. LLC, assumes no responsibility for injury to the recipient or third party, or for any damage to any property resulting from misuse of this product.
