

Bamboo French Easel

Assembly instructions

Step 1

Attach two wheels with screws.

Step 5

Pull out the middle leg from the rear latching system. Tighten to a fixed position.

Step 2

Unlatch the two legs from the sides.

Step 6

Unlatch the metal clasps.

Step 3

Turn the legs clockwise to fit the legs in the groove.

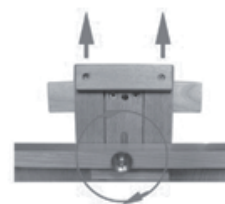

Step 7

Lift easel to an upright position. Tighten to desired angle.

Step 4

Pull out the extended legs and turn the screw in a clockwise direction to tighten the legs in a fixed position.

Step 8

Adjust easel to your canvas and lock into place.
