# HAPPY HOLIDAYS from Blick!

We're pleased to present our 2018 holiday catalog. What's new? Gifts for knitters, sewers, card-makers, picture-takers, kids, and all types of artists. Mini guitars, typewriters, skateboard decks, and décor. Cool new pens, frames, and sets of all kinds. And great deals on brushes, paints, canvas, easels, studio furniture, and more.

It's the time of year for our biggest giveaway of the year — 12 Days of Blick! To learn more, sign up for our emails and follow us on social media. Then visit [DickBlick.com/12daysofBlick](http://DickBlick.com/12daysofBlick) to enter.

Have you noticed our new online look? The result of many months of work, Blick's desktop and mobile sites are now much easier to navigate and shop from. Enhancements include new quick links, a navigation bar with our most-shopped departments, and a new "Hamburger Menu" (the three horizontal lines to the left of the Blick logo) that offers a new way to navigate our site across devices and get you where you need to go more quickly.

What else is new, website-wise? Social media content such as videos and recent posts, plus all of the helpful links and content you're used to finding in the footer navigation, just redesigned a bit. Be sure to check everything out at [DickBlick.com](http://DickBlick.com) and let us know what you think.

We've already shared a bit about Artists Serving Artists (ASA), a program that highlights the Associate Artists who work at Blick. We're pleased to announce that you can now help us celebrate these talented individuals by purchasing products that display the ASA logo. Every time you purchase an ASA product online or in a Blick store, we'll match a portion of the purchase price. This will help support programs such as our ASA YouTube documentary series ([bit.ly/BlickASA](http://bit.ly/BlickASA)) and the Blick Associate Art Showcase. This annual event provides our Associate Artists with an opportunity to expand their audiences, win prizes, and keep doing what they love. Thanks for helping us share the love this holiday season and throughout the year, and enjoy your ASA products.

All of us at Blick thank you for your continued support, and wish you and yours a happy holiday season — plus peace, health, and prosperity in the New Year.

## Blick® Master Synthetic Rounds

**40% OFF LIST PRICE**

A distinctive brush made of five diameters and three lengths of an exclusive Polyimide filament. Each strand is actually tapered to a precise tip much like a natural hair. The combination of multiple diameters and lengths allows for the formation of color-carrying pockets within the brush. The tapered tips make this the best-pointing synthetic available, especially in the larger sizes.

The tip of each hair has been split to replicate the natural flags on the finest natural bristle, so they hold more paint and provide smoother application. Super stiff yet extremely responsive, these brushes are designed for medium- to heavy-bodied acrylics, oil paints, and even heavy gel mediums. Unlike natural Hog Bristle, Catalyst Brushes have real integrity in water.

**FREE SHIPPING on orders of \$59 or more.**

Discounts and free shipping on orders of \$59 or more apply only to this flyer and cannot be combined with any other discount, or used in Blick retail stores. (Some exceptions apply. See below for details.)

**The sale prices in this flyer are valid through December 31, 2018, or while supplies last.**

**SHIPPING METHODS**

Depending upon the items ordered and destination, shipments to a residential address may be delivered by the local post office. Oversized or overweight orders may ship via freight line. In those cases average transit times will be extended and a delivery signature is required. Items shipped using FedEx Fast2Day service will be received by the customer in two business days, and will be shipped via air or ground. Please note that hazardous items cannot be shipped to destinations outside the continental U.S.

**THIRD-PARTY SHIPPING NOTE**

Due to our long-term history of significant shipping volume, Blick has already negotiated very favorable shipping terms with major carriers nationwide for small and large orders, as well as offering free shipping on orders that meet our minimum dollar value. Therefore, it is rarely advantageous to our customers for us to work through a third-party shipping consultant or ship and bill individual or corporate accounts.

**FOB FACTORY AND OVERSIZED ITEMS**

Items that include "RF" in front of the item number will, in most cases, be shipped directly from the factory and will not qualify for our free freight offer unless otherwise stated. Additional shipping charges do apply for these items. If you have any questions, call **800.828.4548**. Please allow additional time for delivery. Some items shipped directly from the factory may not be available for express shipping.

**SHIPPING & HANDLING CHARGES — Merchandise orders totaling \$59 or more ship freight-free via FedEx Best Value whenever possible.**

**EXCEPTIONS:** Additional shipping charges will be added to factory-direct (FOB) shipments; oversized or overweight orders that require lift gate and/or inside delivery; international and U.S. Territory orders; and shipments to Alaska, Hawaii, and Puerto Rico. Shipment of the following stocked art materials will be billed at an additional cost: linoleum rolls; stretched canvas 36" x 36" and larger; oversized panels; select oversized frames; any combination of clay, plaster, and molding material totaling 50 lbs or more; packages of foamboard; all GBC Classiccut Ingento Cutters and Trimmers; the Blick 906 Model II Etching Press, the Blick 999 Model II Etching Press, the Blick Master Etch Model II Press, and all Blick Model II Benches; all kilns and pottery wheels; and some shelters. Paper or boards may be assorted to reach the quantity of 10. Some stocked furniture items will be shipped by truck and billed at an additional cost.

**Handling Charge** — When ordering sheets of paper or board larger than 18" x 24" in quantities of less than 10, a per order handling fee applies. Paper or boards may be assorted to reach the quantity of 10.

**TRUCK SHIPMENT** — Delivers your item to your curb or dock. The charge varies and is based on distance, weight, bulk, and other factors. A physical address and destination phone number are required for delivery. The minimum charge is approximately \$110. For an additional \$35 a smaller truck with a lift gate will lower your merchandise from the truck to the ground. For an additional \$25, your order can be moved from the curb to a ground-level location just inside your door. Delivery drivers cannot move items up or down stairs or to a specific location. Uncrating, disposing of packing materials, and installation are not included. Questions? Call **800.828.4548**.

**PRICES — All prices are subject to change without notice.** We reserve the right to correct typographical errors in our catalogs. Due to volatility in world markets for paper, steel, and energy, it may be necessary for our suppliers to increase prices on some items. We will do our best to absorb these increases, but we may need to increase prices on some of our products as a result. In addition, if product-specific trade tariffs or duties are imposed, we may need to pass those increases along to you as well.

**HEALTH & SAFETY**

Blick Art Materials cares about your health and safety. An explanation of the icons found in this catalog follows:

Products bearing the AP seal are certified non-toxic and contain no materials in sufficient quantities to be toxic or injurious to humans, or to cause acute or chronic health problems.

**WARNING!** Products marked with either of these symbols ( **!** or **▼** ) carry the Proposition 65 warning. These products can expose you to chemicals, including cadmium and cobalt, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to **P65Warnings.ca.gov**.

**PRICES — What is MSRP? (aka "List Price")**  
MSRP stands for Manufacturer's Suggested Retail Price (also known as "List Price"). MSRPs are published by the manufacturer of each product. Unless a product is our own brand, we do not set or inflate the MSRP. We report it. For our Blick and Utrecht brand products, we establish MSRP based on those of third-party vendors whose products most closely resemble ours in quality and size. **Does a discount off the MSRP represent a sale price?** Not necessarily. A typical example would be that a product has an everyday discount of 30% off the MSRP, but during promotional periods it may rise to 40% off the MSRP. Other products might be 40% and 50% off, respectively, and so on. Paint lines often use this type of model. Some products may never be promotionally priced. For more information about pricing visit: [DickBlick.com/customerservice/pricingpolicy](http://DickBlick.com/customerservice/pricingpolicy)
